

CONDOMINIUM CORPORATION #952-1060

OPERATIONAL POLICIES

The purpose of these policies is to give owners an understanding of the requirements and intentions that have become policy through the decisions of the Board of Directors with regards to discretionary areas of the By-laws.

The issuance of these Operational Policies will better enable the Board of Directors acting through the Board or other authorized bodies to better administer and enforce the By-laws.

Should there be any conflict between these operational policies and the By-laws of Condominium Corporation #952-1060 as amended; the By-laws of Condominium Corporation #952-1060 shall prevail.
